MEMORANDUM FOR: Commanding Officer
Air Technical Intelligence Center
Wright-Patterson Air Force Base
Ohio

SUBJECT: Commendation - Mr. W. F. Barth

1. On behalf of the Soviet Materials Staff, Office of Operations, we wish to express our appreciation for the contribution made by Mr. W. F. Barth (ATIAW) to the work of the Rubber Coordinating Group sponsored by the Joint Technical Intelligence Subcommittee of the JIC. We believe that the development by the group of standardized procedures for the collection and exploitation of foreign rubber samples represents an important step forward in this type of intelligence activity.

2. As Chairman of the Rubber Coordinating Group, Mr. Barth has devoted much time and energy to the project and has provided very effective leadership. He deserves to be congratulated on the successful results of his work.

GEORGE G. CAREY
Assistant Director for Operations
